“Inspiring Dreams With Love and Humility”

Dear Friend,

The Kyle Jean-Baptiste Foundation Inc.(The KJBF) supports and provides opportunities of enrichment and learning to empower and engage youth, families and community through Performing Arts.

We are looking for partners and collaborators. So, we are asking for your help! Our First Annual Spring Fundraiser is on Sunday, April 9, 2017 at 6 PM. Many of our supporters live in the New York tri state area, Ohio and many other states. Thus, we are looking for ways to make sure that everyone stays involved. Listed below are a variety of ways that you may support us.

- ◆ Donate an item to be auctioned during the fundraiser. We are looking for a variety of items including memorabilia related to the Arts.
- ◆ Sponsor The KJBF.

As a sponsor, you may support the mission of The KJBF by becoming a sponsor with a donation to our foundation and/or event. Contributions are instrumental in growing the foundation and making the fundraising event a success. All contributions will utilize a sponsor’s logo or name, that would be supplied by the sponsor, to be used on invitations and or signage at events and/or online.

- ◆ Speak at the fundraiser.
- ◆ Be our guest and spread the word! We need all hands on deck so we may engage students of all ages, supporting their growth, as they are given additional opportunities through the Performing Arts.

Please email us and let us know if you would like to utilize DocuSign, a secure e-sign business option to complete the below form. If not, please review the sponsorship levels listed below, decide how you would like to support us, and complete & mail the form. Your support of our youth is appreciated and The KJBF thanks you for your time and consideration.

Sincerely,

The KJBF
